As Europower Enerji A.Ş., we show utmost sensitivity regarding the security of your personal data. Your personal data is processed and stored in accordance with the Law No. 6698 on the Protection of Personal Data ("KVKK").

1. How Your Personal Data May Be Processed

Pursuant to Law No. 6698 on the Protection of Personal Data (KVKK), the personal data you share with Europower Enerji A.Ş. may be processed by us through any means, either fully or partially, automatically or manually, including but not limited to obtaining, recording, storing, modifying, reorganizing, in short, any operation performed on the data as part of any data recording system. Any operation performed on data within the scope of KVKK is considered as "processing of personal data."

2. Purposes and Legal Grounds for the Processing of Your Personal Data

The personal data you share will be processed in accordance with Law No. 6698 on the Protection of Personal Data (KVKK) and related secondary regulations for the following purposes: to fulfill the requirements of the services we provide to our customers, in compliance with the contract and technological requirements; to provide information to public prosecutors, courts, and relevant public officials upon request and as required by legislation regarding matters of public security and legal disputes; and to offer a wide range of opportunities to our members or to share these opportunities legally with persons or institutions that can provide such opportunities.

3. Information About Third Parties or Organizations to Whom Your Personal Data May Be Transferred

For the purposes stated above, the individuals or organizations to whom your personal data shared with Europower Enerji A.Ş. may be transferred include: our main shareholders, shareholders, direct or indirect domestic and international subsidiaries; member companies using Europower Enerji A.Ş.'s infrastructure (e.g., scada.europowerenerji.com.tr, euroscada.com, etc.); and, without limitation, persons and organizations related to the provided services. These transfers are made to carry out our operations and/or with data processors, service providers, partners, domestic/international organizations, and other third parties and entities with whom we cooperate.

4. Method of Collection of Your Personal Data

Your personal data is collected through forms on the Europower Enerji A.Ş. website (www.europowerenerji.com.tr, scada.europowerenerji.com.tr, and euroscada.com) and mobile applications, including information such as name, surname, address, phone number, business or personal email address; as well as data related to preferences on pages accessed via username and password, IP logs of performed transactions, cookie data collected by the browser, browsing duration and details, and location data. This data is collected for purposes such as establishing commercial relations with Europower Enerji A.Ş., applying for jobs, submitting offers, and from individuals who share personal data via business cards, resumes (CVs), offers, or other means, either physically or virtually, face-to-face or remotely, verbally, in writing, or electronically. Additionally, data such as cell, inverter, and meteorological station information may be processed and collected from Remote Terminal Unit devices located at remote sites of the Europower Enerji A.Ş. application through various communication protocols.

5. Storage and Protection of Personal Data

Europower Enerji A.Ş. is responsible for preventing the unlawful processing of personal data stored in its systems and databases, and for blocking unauthorized access in accordance with Article 12 of the KVKK. To ensure the protection of personal data, it implements software measures such as hashing, encryption, transaction logging, and access management, as well as physical security precautions. In the event that personal data is discovered to have been obtained illegally by third parties, the situation will be promptly reported in writing to the Personal Data Protection Board in accordance with legal regulations.

6. Keeping Personal Data Updated and Accurate

Pursuant to Article 4 of the KVKK, Europower Enerji A.Ş. is obligated to keep your personal data accurate and up to date. Within this scope, in order for Europower Enerji A.Ş. to fulfill its obligations arising from the applicable legislation, our members are required to share accurate and current data or update it via the website/mobile application.

7. Rights of the Data Subject under Law No. 6698 on the Protection of Personal Data (KVKK)

Article 11 of Law No. 6698 on the Protection of Personal Data (KVKK) came into effect on October 7, 2016, and according to the relevant article, the rights of the Data Subject from that date forward are as follows:

The Data Subject may apply to Europower Enerji A.Ş. (data controller) regarding themselves;

- To learn whether personal data has been processed,
- To request information if personal data has been processed,
- To learn the purpose of processing personal data and whether it is used in accordance with its purpose,
- To know the third parties to whom personal data has been transferred domestically or abroad,
- To request correction of personal data if it is incomplete or inaccurately processed,
- To request deletion or destruction of personal data under the conditions stipulated in Article 7 of the KVKK,
- To request that the correction, deletion, or destruction of personal data be notified to third parties to whom the personal data has been transferred,
- To object to the emergence of a result against the person by exclusively analyzing processed data through automated systems,
- To claim compensation for damages incurred due to unlawful processing of personal data, You have the rights listed above.

8. Communication and Application Method

The Data Controller Representative to be appointed by Europower Enerji A.Ş. will be announced in the Data Controllers Registry and on the website where this document is available once the legal infrastructure is established. Data Subjects may direct their questions, opinions, or requests to the email address info@europowerenerji.com.tr. Europower Enerji A.Ş. may respond to the requests in writing or digitally, positively or negatively, provided that the response is justified and given within 30 days. It is essential that the necessary procedures regarding the requests are free of charge. However, if the procedures require a cost, scada.europowerenerji.com.tr and euroscada.com reserve the right to charge a fee. These fees are determined based on the tariff set

by the Personal Data Protection Board according to Article 13 of the Personal Data Protection Law.

By sharing your personal data on our website, applications, and other channels, you acknowledge and accept our Personal Data Policy and the terms regarding processing, processing methods, data transfer, sale, and other related matters stated in the policy. You also consent to the use of data shared through the automation applications scada.europowerenerji.com.tr and euroscada.com on the website and mobile applications, to notifications and suggestions, and that data may be commercially shared with third parties for the benefit of members. Furthermore, you declare that you provide explicit consent, defined under KVKK as an informed, freely given, and specific consent on a particular matter of great importance, and that you will apply to Europower Enerji A.Ş. before exercising your legal rights.
